4. **Electronic Dance Track** - TikTok viral potential

Page 0

5. **Corporate Background Music** - Business presentations

📱 Social Proof & Testimonials

Use these testimonials in your promotions:

> *"Music AI changed everything for my YouTube channel. I went from spending hours finding royalty-free music to creating custom tracks in minutes!" - Sarah K., Content Creator*

> *"As a podcaster, having custom intro/outro music that matches my brand was a game-changer. Music AI delivered exactly what I needed." - Mike T., Podcast Host*

> *"I create music for indie games. Music AI gives me professional-quality tracks without the expensive studio time." - Alex R., Game Developer*

🎯 Promotion Strategies

1. Content Creation Focus

- Create "before/after" videos showing AI music generation
- Share sample tracks on all social platforms
- Collaborate with other creators for cross-promotion

2. Niche Targeting

- **TikTok Creators**: Short, viral music clips
- **YouTubers**: Video background music and intros
- **Podcasters**: Custom show themes
- **Musicians**: Beat production and arrangement

3. Community Engagement

- Join music production forums and communities

- Participate in Reddit (r/audioengineering, r/WeAreTheMusicMakers)

- Engage with music Discord servers

- Attend virtual music production events

4. Value-Driven Selling

- Focus on time savings and quality

- Emphasize unlimited generations

- Highlight professional studio quality

- Stress ease of use for non-musicians

💰 Earnings Calculator

Conservative Scenario (5 conversions/month):

- 5 customers × $29/month × 12 months = $1,740 first-year revenue

- **40% commission** = **$696/month** from Music AI referrals

- Plus recurring 30% on renewals

Realistic Scenario (15 conversions/month):

- 15 customers × $29/month × 12 months = $5,220 first-year revenue

- **40% commission** = **$2,088/month**

- Scale to **$25,000+/year** as affiliate network grows

🚀 Getting Started Checklist

Week 1: Setup

- [ ] A/B test different messaging
- [ ] Build email list for follow-ups

Music AI Affiliate Program | Vigthoria.io | affiliate@vigthoria.io

- [ ] Create case studies from successful referrals

🎵 Success Stories & Tips

Pro Tip #1: Show the Process

People love seeing how easy it is. Create short videos showing:

1. Input your requirements
2. Click generate
3. Download professional track

Pro Tip #2: Target Pain Points

Focus on common problems:

- "Tired of using the same royalty-free music?"
- "Can't afford expensive music production?"
- "Need custom music that matches your brand?"

Pro Tip #3: Build Credibility

- Use the tracks in your own content first
- Share genuine results and feedback
- Be transparent about using AI assistance
